Great!

I'm preparing an OPP Update for a joint announcement with streptomycin. I'll be sending it in a bit for your review.

Also need feedback on the Q&As.

Happy New Year to all!

Hi.

I need to know ASAP if aldicarb will be ready for announcement on January 12. Trying to coordinate the two citrus announcements. Streptomycin will reach a decision tomorrow on whether the 12th is doable for them.
